## Huber Solutions for Other Industrial Branches

- Complete and tailored solutions from one source
- Longtime experience in wastewater, process water, waste and sludge treatment
- Well-proven and powerful products and systems

Even if you should not find your industry in our list, we encourage you to contact us and let us know your problems. In cooperation with our customers we are continuously developing new solutions for other industrial sectors.

**HUBER is your experienced, reliable partner and your problem is our challenge to develop new individual tailored concepts and solutions.**

The final design and process will combine the reliability of well-proven HUBER products coupled with intelligent and innovative engineering and technical solutions.
